A set of small navigation icons typically found in presentation software, including arrows, search, and other controls.

The screenshot shows a GIS application window. The main map area displays a road network with several features highlighted in red. Features 5, 6, and 7 are labeled on the map. Feature 6 is a red line segment. A data table on the right side of the screen provides details for the selected feature (Feature 6).

Feature ID	Name	Feature Definition	Zone	Terrain Model Attribute	Data File Name	Field Book Name	Creation Type	Line String	Level	Ref
6	EP_1_2_3_4_5	LN	1	Determine By Feature Definition	7-21-14 EP.csv	Field Book 1	GeneratedByPointList	Line String	E_Road_LaneEdge	1 (PA - SR19 - Survey - Existing Pavement.dgn)
