

Dear Bentley Family,

Can we extract the 'Equipment' report with respect to Ref. Tan Line and nozzle both in Reports.
Currently we able to extract only Nozzle List report , but we want to extract dimension(Co-ordinates) of both Ref. Tan line and Nozzle.

Please let me know how to extract?

Waiting for your earliest reply.

Note - We are using:

Software : Bentley Autoplant V8i - SS4 version : 8.11.9.140 , Autocad 2012-64Bit , Naviswork 2013 , Inventor Ultimate 2014-64 Bit , MS-Office 2010 - 64 Bit.

Hardware : Workstation Dell Precision T3600

Thanks & Regards ,
